5 Year Guarantee on all Kitchens Featured*

Price excludes appliances, sinks, taps, tiles, worktops and other accessories.

The four kitchens featured are all supplied by Gower. *With careful installation and proper care, your Rapide furniture will give you years of trouble-free service. However, in the unlikely event of any defects arising in the first five years, due to faulty manufacture or materials Gower guarantees to repair or replace the faulty components provided they have not been subject to any form of maltreatment. This guarantee does not affect your statutory rights. In the interest of continuing design development and product improvement, Gower reserves the right to amend or adjust specifications without prior notice. Colours shown are as accurate as printing process will allow. Wood is a natural material with an endless variety of texture and grain. Variations evident on installation should diminish over period of time when a pleasant uniformity should emerge.
