Chambery

The Chambery collection from Pagoda is timeless yet prestigious offering comfort, strength, and durability. Whether dining or simply unwinding, the highly comfortable seat cushions and the extra cosy back cushions enhance the level of relaxation.

The Chambery range comes in two colours – Chambery Beige and Chambery Grey. The mix of classic neutral tones create a peaceful ambience that is sophisticated and classic, suitable for all outdoor living spaces.

Manufactured using durable long-lasting materials and constructed with strong yet lightweight powder coated aluminium frames, the Chambery range boasts the practical benefits of strength, durability, and rust resistance.

The synthetic wide shape and the full round wicker decor on the borders are beautifully handwoven and showcase high quality workmanship. This, combined with spun polyester piped cushions, displays elegance and glamour in the garden. All cushions can be easily removed for easy storage when not in use and are fire resistant and LOFA assured.
