Hanging Chairs

The Hanging Chairs are the perfect statement pieces for your outdoor living space. Enjoy some peaceful time unwinding or to read a book in a cocoon style chair.

With its steel powder coated framework and handwoven synthetic wicker, these chairs offer strength and durability. The Hanging Chairs are suspended and hung from the frame by a chain, allowing you to gently swing back and forth.

All the chairs are beautifully handwoven with synthetic wicker in an open weave style allowing air flow. The super comfortable cushion gives the ultimate relaxing experience.

All Cushions can be easily removed for easy storage when not in use, are fire resistant and LOFA assured.
