Porto

The Porto 6 seat Dining and Coffee set offers a perfect blend of modern aesthetics and exceptional functionality.

The aluminium frames on the Porto sets provide durability, strength and resistance to rust and corrosion, perfect for various weather conditions.

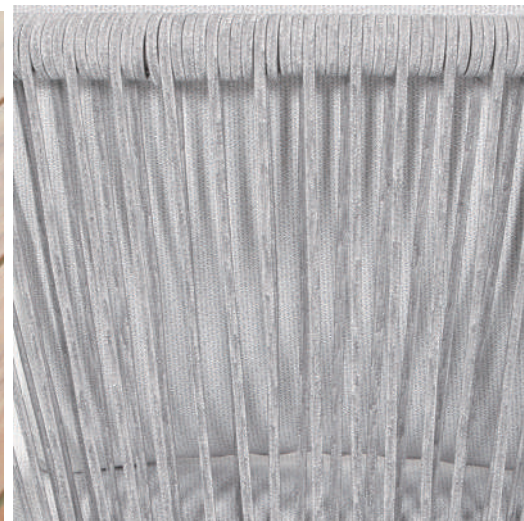

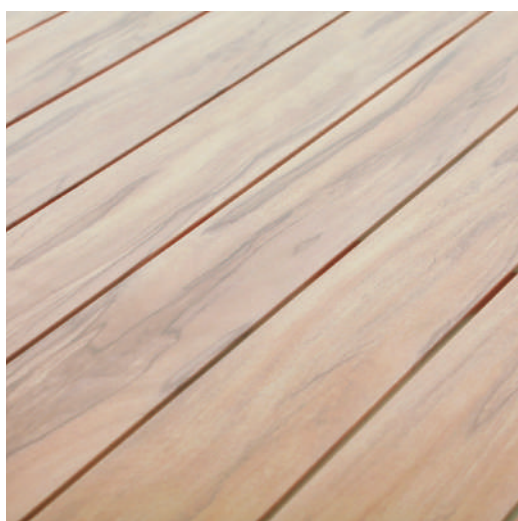

The round frames are powder coated in a taupe colour and matched beautifully with cushions in a tone of white, grey and beige yarns creating a melange textured fabric effect.

The sets are created to provide a contemporary and sophisticated look that elevates the overall style of your outdoor living space.

The extremely durable synthetic grey rope detailing on the chair back rests adds elegance and texture to these beautiful furniture pieces.

The chairs with padded seats and the comfy back cushions allow you to sit back and relax after your dining or afternoon tea experience.

The slatted wood effect tabletop design complements the contemporary look whilst emphasising exceptional quality. All cushions can be easily removed for easy storage when not in use, are fire resistant and LOFA assured.
