This appliance is marked according to the UK Statutory Instrument 2013 No. 3113 on Waste Electrical and Electronic Equipment (WEEE) Regulations

By ensuring this product is disposed correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. The symbol on the product indicates that this product may not be treated as household waste. Instead, it shall be handed over to the applicable collection point for the recycling of electrical and electronic equipment. Disposal must be carried out in accordance with local environmental regulations for waste disposal.

For more detailed information about treatment, recovery, and recycling of this product, please contact your local authority, your household waste disposal service, or the shop where you purchased the product.
