Valencia

The Pagoda Valencia collection is of a sleek design offering modern style and practicality. The weatherproof durable aluminium frame make the Valencia range strong, robust yet lightweight and offering protection from rust and corrosion.

Whether you are dining or sitting back to relax, the multi-position foldable chairs have 5 reclining positions allowing you to set your desired sitting position

The seat and backrests of the chairs are made with easy to clean textilene fabric, allowing minimal maintenance on your outdoor furniture. Aluminium paired with textilene fabric makes the chair ultra light and easy to move.

The stained wood effect detailed on the aluminium slatted table top and chair armrests gives a contrasting effect against the grey textilene fabric and powder coated frame. This complements a stylish contemporary piece of furniture in your outdoor living space. The dining tables includes a parasol hole in the centre which allows you to use a parasol, providing shade whilst dining outdoors.
